Chris, I will create and send around a clean copy later today and will also work on the anchor messages Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Are you ok with the other Q/A document? I will take another look but I don't believe it covers all the questions you were role playing with yourself in our prep session .I've attached the version I last saw/touched – it's the one I sent around Thursday, the last version I received from Jim but with the fees language you suggested we remove from the written EMIS responses
